**PART 1: Review Comments**

|                                                                                                                                               | <b>Reviewer's comment</b>                                                                                                                                                  | <b>Author's comment</b> <i>(If agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. Authors must write his/her feedback here)</i> |
|-----------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Is the manuscript important for the scientific community?<br>Please write a few sentences explaining your answer                              | Yes it is, because it explains the usage of credit and the provider of the credit .                                                                                        |                                                                                                                                                                          |
| Is the title of the article suitable?<br>Do you have any alternative Title in your mind?                                                      | Yes, it is<br>No                                                                                                                                                           |                                                                                                                                                                          |
| Is the abstract of the article comprehensive?<br>If your answer is No, please provide suggestions                                             | Yes but with little amendment which has done with red color                                                                                                                |                                                                                                                                                                          |
| Do you think the English quality of the article is suitable for scholarly communications?<br>If your answer is No, please provide suggestions | The quality of the English is fair as a result is acceptable by me                                                                                                         |                                                                                                                                                                          |
| Please provide your comments regarding the appropriateness of different sections of the manuscript.                                           | Each section coments/corrections has been done and colored.                                                                                                                |                                                                                                                                                                          |
| Do you think that the references in the manuscript are proper, recent and sufficient?<br>If you have any suggestions, please write here.      | Yes with littled adjustment which has been done and colored, but not recent which newssrefernces needs to be included. And not sufficient, more reference should be added. |                                                                                                                                                                          |
