Manuscript Number:	Ms_BPR_1656
Title of the Manuscript:	Targeted therapy for CML patients on Imatinib: Role of novel variants of Human Organic Cationic Transporter 1 (hOCT1)
Type of Article:	Book chapter

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>Upon reviewing the revised version, I found that the "Role of Imatinib drug and CML" section still contains some anomaly in text. Additionally, the sources from which the content was taken have not been appropriately cited in the references.</p> <p>To maintain the integrity and originality of the manuscript, it is imperative that the authors:</p> <ul style="list-style-type: none">○ Rephrase the sections○ Properly cite all sources of information used, particularly in the "Role of Imatinib drug and CML" section.
