

Editor's Comment:

I accept the manuscript for publication in the BP International.

Considering the reviewers and authors corrections, we can publish this manuscript. The reasons are as follows:

1- One reviewer gives comment such as "This manuscript presents significant contributions to the scientific community by addressing a critical gap in our understanding of specific topic addressed in the manuscript"

2- One reviewer gives comment such as "Accept after major revision".

3- One reviewer gives comment such as "Accept after minor revision".

According to the comments, the authors have corrected the manuscript carefully. Therefore, the manuscript has enough value for publication in the BP International.
