

[Review Form2](#)

Book Name:	Medicine and Medical Research: New Perspectives
Manuscript Number:	Ms_BPR_2622
Title of the Manuscript:	Microneedling dilates the follicular infundibulum and increases transfollicular absorption of liposomal sepi melanin
Type of the Article	Book chapter

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This manuscript is of significant importance to the scientific community as it explores the synergistic effects of microneedling and transfollicular drug delivery, a novel approach that could enhance the efficacy of topical treatments. By demonstrating how microneedling can dilate the follicular infundibulum and increase the absorption of liposomal sepi melanin, the study opens new avenues for improving drug delivery in dermatology and cosmetology.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, author correctly highlight the SAR of topic.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Corresponding author already published a paper on the above topic and the expertise reflects in the manuscript.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Need of updating references. I didn't find any reference from last five year, Kindly incorporate the recent references.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	Need, updation in reference section.
