

BPI Review Form 070520

Book Name:	Advanced Research in Biological Science
Manuscript Number:	Ms_BP_11927F
Title of the Manuscript:	Moringa - The Miracle Tree: An Overview of its Nutritional and Medicinal Properties
Type of the Article	Book Chapter

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(If agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. Authors must write his/her feedback here)</i>
Is the manuscript important for the scientific community? Please write a few sentences explaining your answer	Yes, because using natural plants is safer, healthier, and less risky; the article outlines the benefits of moringa, which can be used by scientific researchers and medical laboratories for the manufacture of medicines to treat the majority of human and animal diseases. Medicinal plants, like Moringa, have a variety of positive effects on the health and performance of humans and animals. Moringa is a plant that can be a harmless environmental resource for improving soil fertility and enhancing agricultural production.	
Is the title of the article suitable? Do you have any alternative Title in your mind?	Yes, it's suitable.	
Is the abstract of the article comprehensive? If your answer is No, please provide suggestions	Yes	
Do you think the English quality of the article is suitable for scholarly communications? If your answer is No, please provide suggestions	Yes, it is.	
Please provide your comments regarding the appropriateness of different sections of the manuscript.	As a suggestion that some points could have been discussed together in the section on Moringa history rather than separately. As a note; the mineral composition and vitamins C and e of Moringa are often mentioned in many parts of the article.	
Do you think that the references in the manuscript are proper, recent and sufficient? If you have any suggestions, please write here.	Yes	

PART 2:
