PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	The subject of the article is very interesting as Plato said: music was necessary to form the person. Multidisciplinary is widely studied by the scientific community because it helps to build a learning process through collaboration between multiple teachers. Unfortunately, this article must be supported by clear data collected from a case study and the validity of the method is not clear: it is an article that exposes the importance of the subject but does not support it through related works.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract should be improved as the contribution of the article is unclear.	
Are subsections and structure of the manuscript appropriate?	It must be added the paragraph “related works”	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	The article is not supported by robust educational research and therefore cannot be used to provide a useful contribution.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	the references are not at all recent. This is also demonstrated by the fact that a paragraph on Related Works is missing
