

Review Form2

Book Name:	Medicine and Medical Research: New Perspectives
Manuscript Number:	Ms_BPR_2275
Title of the Manuscript:	Dorsal hemangioblastoma with holocord syringomyelia: case report
Type of the Article	Book Chapter

PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer’s comment	Author’s Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	This is a good rare case report and its important to recognise this association for an accurate surgical treatment resulting in 100% symptomatic and root cause cure.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Its very comprehensive. It will be more appropriate if 2-3 Histopathological images along with markers can be added for the benefit of readers and later citations.	
Are subsections and structure of the manuscript appropriate?	yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	It’s a case report well written. References are well listed with all the other case reports. The photographs of Radiological Images are clear and well labelled. Intraoperative pictures of the tumour are clear	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	Yes	

Review Form2

Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Language is clear and scientific. Images of Histopathology of the Tumour (Hemangioblastom) to be added for better visibility and citation	
Optional/General comments
