Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	The Manuscript is very imperative and timely as the topic is very much relevant and beneficial to the Cross Border Trade Experts, Border Security Agents, Cross Border Traders (CBT), Ministry of Commerce for both Cameroon and Equitorial Guinea and Border Community. Why I like this Manuscript is that, the United Nations Conference on Trade and Development (UNCTAD) can even get vital information from the findings of the manuscript related to both countries under review.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes. It is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The Abstract is Comprehensive However, the Keywords needs to be rejigged (Four to Six words are okay and Terms are not needed as the name implies: KEYWORDS)	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	The Manuscript is structured in such a way Scientific and empirical study was conducted. The Author(s) backed the intext citations with references which portrays the Ethics in Scientific and Technical Research The Manuscript is Scientific and Technical as all the systematic configuration of conducting research were stated in the Methodology	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	The issue of Reference is relative. Some references must not need to be recent. The Beauty of Scholarship is ability to explore Archive and old discourse to be able to build on it. To me the references are very okay. I have no issue with any even the 1960s and those of the Milleniums
