Do you think the English quality of the article is suitable for scholarly communications? If your answer is No, please provide suggestions	Yes	
Please provide your comments regarding the appropriateness of different sections of the manuscript.	1. In Table-4, I am not sure how the authors have been calculated and reported the relative retention time for the studied BZDs drugs. In fact, the RRTs were not matching with any values from the manuscript. Being as reviewer, I tried to calculate the RRTs, but the values are not matching. To be checked and mentioned the calculation details by the authors. 2. The figures from Figure-3 to Figure-18 are not clearly visible in the manuscript. To be changed with high resolution.	
Do you think that the references in the manuscript are proper, recent and sufficient? If you have any suggestions, please write here.	Yes
