Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	It is an excellent paper, very exhaustive one. It can be helpful in some cognitive disorders. It is a hopeful drug, may be in future.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	yes	
Are subsections and structure of the manuscript appropriate?	yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	It is written very nicely. My only suggestion is that it can be written briefly. It takes a lot lot of time to read, hours together. I can understand the authors have worked very hard, No doubt about that. Otherwise it is excellent.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	yes
