Manuscript Number:	Ms_BPR_2546
Title of the Manuscript:	The contribution of Internal Audit Diamond Model in Preventing Fraud and Corruption
Type of the Article	Book Chapter

PART 1: Review Comments

Compulsory REVISION comments	Reviewer’s comment	Author’s Feedback(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof3-4 sentences may be required for this part.	The manuscript of the book chapter titled "The contribution of Internal Audit Diamond Model in Preventing Fraud and Corruption " is highly relevant, as it addresses a pressing societal need and further educates potential readers on the importance of preventing fraud and corruption in our society. The discussion of the Diamond Theory provides valuable insights into the foundations for preventing and detecting social vices through effective auditing practices. The manuscript successfully applies and explains relevant theories on the prevention of fraud and corruption. Therefore, if the Internal Audit Diamond Theory is implemented in our daily financial operations, both in the private and public sectors, it could significantly contribute to creating a more transparent and ethical society.	
Is the title of the article suitable? (If not please suggest an alternative title)	YES, the title is fit.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	YES, the abstract is comprehensive.	
Are subsections and structure of the manuscript appropriate?	YES, well structured.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof3-4 sentences may be required for this part.	The manuscript of the book chapter is scientific, as the author effectively applied the theoretical framework of the four pillars of the Internal Audit Diamond Theory to the practices of internal auditing for fraud and corruption prevention. Furthermore, the author demonstrated the practicability of the model by integrating appropriate conceptual models and theories. While the manuscript is already robust, it would benefit from the inclusion of more recent literature, specifically from the years 2023 and 2024, to enhance its depth and comprehensiveness.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. :	YES	

Review Form2

Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The manuscript deficient area is in grammatical errors. The author should go through the entire work and make all the necessary correction. After that, the paper is good to go.	
Optional/General comments	The paper is fit for publication and good to go.	

PART 2:
