PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer’s comment	Author’s Feedback(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	The manuscript is important to the scientific community because it outlines the strategies that can be utilized by education practitioners post COVID-19. The researcher(s) provided a detailed presentation of the descriptive statistics that were used.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article is suitable.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive. However, there could be more clarity on the findings of the study and relate these findings to the topic focus and research questions.	
Are subsections and structure of the manuscript appropriate?	Sub-sections are appropriate except that the “Discussion” (of the results) section is missing. There was too much detail in the results presentations so much so that a discussion would assist bring important matters of the findings to the fore.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	The results presentation is detailed. Each research question is followed up with findings. Technically the descriptive statistics used have been well presented.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	More references could be added. Adding more recent literature could boost the reference list.	

Review Form2
