

FINAL EVALUATION FORM 1.1

PART 1:

Book Name:	Medicine and Medical Research: New Perspectives
Manuscript Number:	Ms_BPR_2123
Title of the Manuscript:	Seroprevalence of Anti-SARS-CoV-2 Antibodies in Healthcare Workers
Type of Article :	Book chapter

PART 2:

FINAL EVALUATOR’S comments on revised paper (if any)	Authors’ response to final evaluator’s comments
Thanks to the authors for their efforts in re-editing their manuscript . I think the errors found in the first version are still there. Considering that this article is a clinical review on nurses, as a result, the biological explanation of the corona virus is unnecessary.
