Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	The chapter caters an interesting domain of research, especillay because of it’s interdisciplinary applicability in Mathematics and Computing. The work is novel as per my opinion, and will serve a significant portion to the scientific community. Though, the topic is interesting, I have some issues with the content structure and readability. Please refer respective sections of my comments to address my issues.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is suitable for the book.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	My issues with the abstract are as follows, 1. Please address the manuscript as a chapter than an article. 2. Refran from any citations in the abstract. 3. Please add mathematical equations in the abstract to adress the contributions of the chapter.	
Are subsections and structure of the manuscript appropriate?	Yes, the organization is okay.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	The manuscript is scientifically sound.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. :	Try to add more recent refernces especially 2024’s citations would add more recency.
