

BPI Review Form 070520

Book Name:	Science and Technology - Recent Updates and Future Prospects
Manuscript Number:	Ms_BPR_1064
Title of the Manuscript:	Research of the Characteristic Dimension of the Transfers during the Convective Drying of the Sweet Potato for the Parallelepipedic and Spherical Shapes
Type of the Article	Book chapter

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. Authors must write his/her feedback here)
Is the manuscript important for the scientific community? Please write a few sentences explaining your answer	Yes. The drying of agricultural product after harvesting is the main key factor which should be dressed for oreservation of nutritional and other values which directly affect the economics	
Is the title of the article suitable? Do you have any alternative Title in your mind?	It should be modified as “Effect of Parallelepipedic and Spherical Shapes Dimension on Convective Drying Characteristics of Sweet Potato”	
Is the abstract of the article comprehensive? If your answer is No, please provide suggestions	Yes	
Do you think the English quality of the article is suitable for scholarly communications? If your answer is No, please provide suggestions	Yes	
Please provide your comments regarding the appropriateness of different sections of the manuscript.	Yes	
Do you think that the references in the manuscript are proper, recent and sufficient? If you have any suggestions, please write here.	Slight modifications are needed	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
