

Editor's Comment:

I have read the revised chapter with great interest and the comments from the reviewers for the book chapter titled " Impact of Hyperthyroidism on Heart Disease: A Systematic Review " for the book Name: Disease and Health Research - New Insights

The Scientific content of the manuscript is very important for Medical Science. The authors have very systematically. dealt with the impact of the hyperthyroidism on heart disease. They have also explained the clinical complications of hyperthyroidism. This explains the importance of thyroid function testing in presence of cardiac diseases.

With due consideration, the decision on the chapter titled " Impact of Hyperthyroidism on Heart Disease: A Systematic Review " for the for the book Name: Disease and Health Research - New Insights is Accepted.
