

Review Form2

Book Name:	Medicine and Medical Research - New Perspectives
Manuscript Number:	Ms_BPR_1971
Title of the Manuscript:	Unicystic Ameloblastoma - Case Report
Type of the Article	Book Chapter

PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer's comment	Author's Feedback(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimumof 3-4 sentences may be required for this part.	Ameloblastoma is a rare, benign tumour that develops in the jaws near the molars. It is a condition of great clinical significance. So, a case report given in this topic holds a greater importance and has its own scientific credibility.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article is suitable.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the article is comprehensive. A few mistakes are noted for which the suggested corrections are noted in the article	
Are subsections and structure of the manuscript appropriate?	Subsections and the structure of the manuscript looks appropriate	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimumof 3-4 sentences may be required for this part.	The extent of the clinical lesion has been well described in both case reports. CBCT pre and post op 3D images add precision to diagnosis. The discussion part of the article is well justified. The clinical and radiographic findings are adequately and aptly described by the author which adds to the scientific correctness of the article.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	A few more additions of recent references within last 5 years could be more appreciable.	

Review Form2
