Title of the Manuscript:	Metabolic Syndrome: Addressing Health Risks Among Police Officers
Type of the Article	Book chapter

PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The topic chosen for the review is of relevance to the scientific endeavors.	
Is the title of the article suitable? (If not please suggest an alternative title)	Apt	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the review paper contains some confusing language that could be clarified to improve readability and comprehension. Missing clarity and potentiality of the topic.	
Are subsections and structure of the manuscript appropriate?	It has been noted that sub sections contains redundancy of information.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Metabolic syndrome is a life style disease and the insights given for the particular set of subjects was not well illustrated and the pictorial representation is missing valid reasons ex. Over all efficiency- how can it be a factor for Mets. There are grammatical mistakes that need to be addressed.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	It will be good if atleast one reference from 20's be added.	

Review Form2
